- (c) purpose of grant
- (d) application deadline
- (e) eligibility criteria
- (f) maximum amount available for grant

## 6. Principles

6.1. The principles governing grant programs include:

- (a) Council recognizes that, through the provision of grants, Council is committed to providing financial and in-kind assistance to groups and individuals offering services, activities and programs in the interests of the municipality.
- (b) Council is committed to treating requests for grants from these groups in a consistent, fair, and equitable manner, subject to established priorities and budget.
- (c) Council promotes public awareness of the principles and guidelines by which Council is:
  - (i) providing an accessible, open, and transparent application and decision-making process for considering and responding to requests for grants; and
  - (ii) establishing a timeline for the submission and processing of such requests, so that Council can conduct a meaningful comparison and achieve an equitable distribution of support.
- (d) Council advertises the Community Grants Policy and the application process through its website.
- (e) Council recognizes that there may be worthy requests which may not fit within this statement of general principles and guidelines. Nothing in the policy prevents Council from making grants to entities at times and for purposes outside the scope of the policy.

- (f) Council may, at the discretion of Council, provide grants in the form of in-kind services, or in exceptional circumstances a waiver of standard fees, where by doing so could benefit the quality of life for citizens in the community.

## **7. Criteria and Conditions**

- 7.1. Funding will be awarded to groups or individuals offering services, products or activities in the best interests of the municipality.
- 7.2. Those eligible for funding are not required to live within the boundaries of the municipality.
- 7.3. All grants will be approved and awarded in accordance with sections 142, 143, and 158 of the Act.

## **8. Reporting**

- 8.1. Council must ensure that adequate and accurate records of all grants awarded under this bylaw are kept on file and submitted each year during budget deliberations.
- 8.2. Council must publish the amounts awarded and the recipients of each grant on its website.

## **9. Restrictions**

- 9.1. Actual amounts allocated for municipal grants will be based upon budget funds available in that particular year.
- 9.2. Grant monies allocated to an individual or organization will be used first to clear any debts owing to the municipality by the individual or organization. The balance of any remaining funds will then be forwarded to the individual or organization.
- 9.3. When grants "in kind" include the use of facilities, proof of insurance, normal security deposits and regular terms and conditions of the facility being used will apply.
- 9.4. Unless otherwise approved by Council, no grant monies will be paid until the annual budget has been approved.

## **10. Funding Limits**

- 10.1. Grant funding to any individual, organization or event in any one year will be capped at a maximum cash value of \$1,000.00 (for both cash donations and/or grants "in kind").
